

School time calls for extra nourishment

INDOORS so much means loss of "color." The lack of fresh air prevents the proper nourishment of the blood by those elements in the air which are so necessary to childhood health.

Those children whose blood is already impoverished, who look pale and are languid, they need the extra nourishment and strength building of

BOVININE

The Food Tonic and Blood Builder

Taken as directed, by teachers, parents and children, it supplies those elements to the body which are needful to good health and normal appearance.

BOVININE is not a medicine nor is it merely a tonic. It is both a food and a tonic—a blood builder.

For over 30 years BOVININE has been prescribed by physicians everywhere. All good druggists sell it.

About 700 People Attended "Welcome Home" Dance.

The afternoon exercises of the welcome home for the boys on Monday passed with pleasure to all. Following the dinner hour a large crowd went to the Varsity-Alumni field, where after the selections by the band, an address was given by Hon. Wendell P. Stafford of St. Johnsbury. Later, music hall was soon filled in every corner to listen to "Five Thousand Dollars' Reward" by the Nellie Gill Players, and The Strand, a moving picture theatre, was also full. At 7:30 a Red Cross banquet was tendered the service men and service women at the parish house and was generously patronized. This banquet was given by the Randolph branch, American Red Cross, with Mrs. C. E. Root as caterer. A band concert followed the banquet, and at 8:30 a welcome home military ball was given at the Salisbury warehouse. Here, on the first floor, Gilson's orchestra furnished music for the square dances, and on the second floor, McEnelly's Singing orchestra with 10 pieces, furnished delightful music for the round dances. On the third floor was found Harry Mitchell, the caterer, to furnish refreshments for all who wished. It was estimated that there were 700 couples for dancing, besides a large number of spectators present. The crowd was too large for its quarters, but notwithstanding the crowd, the affair proved enjoyable.

The funeral of the late George W. Flagg was held at the East Braintree church on Tuesday afternoon, with a large attendance. A delegation from the Masonic lodge, of which Mr. Flagg was a member, went up, and also members of the Grand Army. Mr. Flagg was a prominent man in both these organizations as long as health permitted, and he has been active in many business ways in this vicinity.

Mrs. Henry Farnham of Tunbridge Received Injury in Region of Her Spine

GEORGE McMURPHY OF RANDOLPH BRUISED

Machine Containing Four Was Going to Dance in Randolph

Bethel, Sept. 17.—A party of four going to the dance at Randolph came to grief near E. S. Tewksbury's residence about 8:30 Monday evening when a Ford car in which they were riding went over a 10-foot bank, spilling them out and turning completely over. The car was from Rowell's garage in South Royalton and was driven by Hazen Smith, who had trouble with his lights and after meeting several cars on a troublesome curve, finally was crowded over in the darkness.

Mrs. Henry Farnham of Tunbridge was injured in the region of the spine and was taken to the Randolph sanatorium, where it was expected she would have to stay only two or three days. George McMURPHY of Randolph, a well-known baseball player, suffered minor injuries to a wrist. The car was damaged considerably and was not moved till yesterday, when it was taken back to South Royalton.

POWERFUL PILE REMEDY DISCOVERED

Has Never Failed to End Most Obsolete Case of Piles in Few Days.

For years it has been proved that so-called external remedies applied to or inserted in the rectum cannot cure piles, and at the best can only give temporary relief. Surgical operations also do not remove this cause, but simply the formation.

This wonderful prescription, known as Miro Pile Remedy, is so efficient in the treatment of piles, that even chronic cases of from 20 to 30 years standing with profuse bleeding have been completely cured in from three to ten days. Think of it! Just a few drops of a carefully balanced prescription and the most persistent case of piles is absorbed, never to return.

Just read what Henry J. Stone of the Lorain, Ohio, Fire Department says: "I had bleeding and protruding piles for three years and tried all kinds of remedies without result, but was thoroughly cured after taking one bottle of Miro."

Frank J. Phillips of Bird Island, Minnesota, says: "I used half a bottle of Miro. It worked like a charm. I no longer suffer with bleeding and protruding piles. I never regretted the money for such a cure. I am now enjoying life. I would have used the whole bottle, but it was not necessary."

All pharmacists dispense Miro or can get it for you on short notice. Surely it's worth the little trouble to obtain it to be rid of piles forever.

IMPORTANT—What is known as itching piles are not piles in the true sense of the word, although this condition may accompany a true case of piles. For the condition Miro Pile Ointment has been prepared as in such cases it is not necessary to take the internal prescription.

If your druggist cannot supply you we will gladly send either of the above mail charges paid in receipt of price. Internal Treatment only, war tax 2c. Ointment the war tax 2c. extra. Guaranteed Remedy Co., Elvira, Ohio—Adv.

HARDWICK

The relic and curio collector in the Memorial room at the Memorial building has just received a large addition to the relics already on exhibition there. There are eight articles and they are loaned by Mrs. Jerrie A. Bronson and will prove to be as interesting as any yet placed in the case. Mrs. Bronson has presented to the building a copy of the Essex and Caledonia counties Gazetteer, which can be used as a reference by anyone who so desires. It goes back to 1747 and traces historical events of the town and history of the citizens of the town from that time down to 1887. Another old book, dating back to 1829, contains the records of the old Stone school district and is an exceedingly interesting volume. There is a metal canteen, used by the soldiers in the war of 1861-65, in fine shape; there is a petrified oyster of large size, which was picked up by the late T. S. Bronson several miles from the seacoast and 500 feet up on a hill. This is probably as interesting a part of the collection as anything; there is a soldier's canteen in the shape of a miniature barrel, made of wood, seven inches high and five inches in diameter, in excellent state of preservation; there is a set of ancient leather saddle bags at least 100 years or more old; there is a forked and twisted stick that is a curiosity in itself, this stick being found by Mr. Bronson while surveying at one time. It retains all the crooks, twists and turns imaginable in a stick and is just as found many years ago; there is an ancient surveyor's instrument that has to be seen to be appreciated. These articles can all be seen at the building and will prove to be a valuable addition to the collection.

Backache only a Symptom

"It Seems as Though my Back Would Break."

This is a common expression among women, yet they toil on day after day heedless of the significance of this distressing symptom.

Backache is often a warning of some inward trouble that requires attention, and which unless relieved will sooner or later declare itself in more serious ailments.

If it is caused by female derangement Lydia E. Pinkham's Vegetable Compound is what you need. It quickly asserts its curative powers in all those peculiar ailments of women.

For more than thirty years this good old fashioned root and herb medicine has been restoring American women to health.

The Splendid Recovery of Mrs. Coventry

Newark, N. J.—"The doctor said I had organic trouble and treated me for several weeks. At times I could not walk at all and I suffered with my back and legs so I often had to stay in bed. I suffered off and on for eight years. Finally I heard that Lydia E. Pinkham's Vegetable Compound was a good medicine, and I tried it with splendid effect. I can now do my housework and my washing. I have recommended your Vegetable Compound and Blood Medicine and three of my friends are taking it to their advantage. You may use my name for a testimonial."—Mrs. THERESA COVENTRY, 75 Burnett St., Newark, N. J.

Mrs. Hunt tells how it helped her Detroit, Mich.—"I was in a general run-down condition, was very nervous and tired, had backache and other troubles. I suffered for several years, was not able to work at times and tried doctor's medicine with no results. I saw Lydia E. Pinkham's Vegetable Compound advertised, and after taking it a short time I was much better. I am still taking it myself and giving it to my daughter, and am glad to recommend Vegetable Compound at any time."—Mrs. M. E. Hunt, 171 Davison Ave.
